**. Security/Damage Deposit**

A 'Damage' deposit of £100 is also required which should be sent along with the booking balance and as a separate cheque. This will be destroyed after the lodge has been vacated, cleaned and the inventory checked. Please note that if there is extra cleaning required as a result of the occupation, or from that caused by any pet, or due to smoking within the lodge, a retention of an appropriate amount (at the sole decision of the owner) will be made to cover extra cleaning costs and time. If the new occupants are inconvenienced in any way, we reserve the right to withhold the full deposit as compensation to such new occupant. Access to the estate is via a remote controlled gate. In the event of a loss of the remote control (including accidentally taking home), £50 will be deducted from the deposit to facilitate its replacement and/or arrangements for the incoming occupiers.

Most booking periods are per week (Saturday to Saturday) for the lodge. Take-over is 4 pm unless something out with the owners or the cleaners control precludes this. You must leave your property by 10 am unless by prior arrangement and there are no incoming guests. Please leave everything in a clean and tidy condition and leave the beds & duvets stripped of the linen. A lodge inventory check is performed prior to each arrival and you are responsible for any breakages, damage or loss sustained during your stay. An inventory list is provided in the kitchen for your guidance.
